Notwithstanding the foregoing, the contract may be terminated for convenience at any time by giving 30 days prior notice. Such termination is subject to the written form requirement.
- 10.2. Irrespective of the effectiveness of the termination, we shall be entitled to claim payment of the rental fee up to the time of return of the rental equipment.
- 10.3. The time of return shall be defined as the point of time at which the rental equipment is received by us. This provision shall apply regardless of who bears the cost and risk of transportation of the rental equipment.

- 11.1. The customer shall bear the cost of return to the return destination.
- 11.2. In the event that the rental equipment is returned in a state from which it is obvious that the customer has failed to comply with its duties to maintain and service, payment of the rental fee shall continue throughout the period of time necessary to perform the repairs which have been omitted in breach of the contract. Such repairs shall be performed by us at the customer's expense.

12. Limitation of Liability

12.1. Our liability for defects of the rental equipment is subject to the limitations set forth below:

The customer shall not be entitled to claims for damages due to defects of the rental equipment unless such defect is attributable to willful intent or gross negligence on our part or unless defect rectification is delayed by us with willful intent or gross negligence.

We shall not be liable for consequential damage caused by a defect except in cases of willful intent, gross negligence, or breach of material contractual duties. To the extent we are liable for consequential damage caused by a defect, our liability shall be limited to the foreseeable damage not due to unusual circumstances. The above limitation of liability shall not limit the customer's right to claim for injury to limb or health for which we are responsible, or for loss of the life of the customer or its vicarious agents. Customer's claims in the case of a warranty given by us or in the case of concealment of a defect with intent to deceive shall also remain unaffected.

12.2. The limitations set forth below shall apply to our contractual and non-contractual (tortious) liability and to liability for default at conclusion of contract. The burden of proof for the facts justifying a limitation of liability or exclusion of liability shall lie with us.

We shall not be liable for breach of non-material contractual duties due to slight negligence. Claims for damages in the case of breach of material contractual duties shall be limited to the foreseeable damage typical of the contract insofar as such breach of material contractual duties is not due to willful intent or gross negligence.

No limitation of liability shall apply to the extent that we are liable for injury to life, limb or health.

13. Miscellaneous

13.1. Neither party shall be entitled to set off claims against counterclaims arising out of the contractual relationship unless such claim is indisputable or legally established. The same shall apply to any enforcement of retention rights. Any customer's rights to rental fee reduction in corresponding application of Section 536 BGB (German Civil Code § 536 BGB) shall remain unaffected.

13.2. French law applies exclusively. The application of the United Nations Convention on Contracts for the International Sale of Goods of 11 April 1980 (UN Convention) is excluded.

13.3. Place of jurisdiction is Évry, France. We shall have the right to institute legal proceedings against the customer at the place of its registered office.
